CGPA (till 6th sem) : 8.69

Higher Secondary School Certificate

June 2019 -May 2021

AshadeepIIT , Surat

Percentage : 87 %

EXPERIENCE

Web Developer Intern, BitsTechnolabs ,Surat |

May -2023-Jun-2023

- During my internship, I not only excelled in frontend development tasks but also demonstrated proficiency in utilizing **HTML**, **CSS**, **JavaScript**, and **ReactJS** to create dynamic and engaging web applications.
- Developed "**Re-Build**", a frontend-based resume builder application allowing users to create resumes in various themes.Upon completion ,users can conveniently download their resumes.

TECHNICAL SKILLS

- Languages** : C/C++ ,SQL, HTML , CSS , Javascript
- Libraries**: ReactJs , NodeJs , ExpressJs , MongoDB
- Frameworks**: TailWind CSS , Bootstrap
- Developer Tools** :Visual studio code , Git/Github , Postman

PROJECT

1.Blogo-Pedia |

HTML , Tailwind CSS , ReactJs , NodeJs , ExpressJs , MongoDB

- Developed Blogopedia, a web application providing users with a platform to create, publish, and interact with blog posts. Alongside user-facing features, an intuitive admin-side panel was designed and implemented to empower administrators in efficiently managing blog content, user accounts, and site settings.

2.Re-Build |

HTML , CSS , ReactJs

- "Re-Build" is a frontend-based application designed for creating resumes in a variety of themes. Users can customize their resumes according to their preferences and needs. Once the resume is completed, users have the option to conveniently download it.

CERTIFICATES & ACHIEVEMENTS

- The MERN Stack From Mindluster |** Oct-2023
- Foundations of User Experience (UX) Design From Coursera |** Feb-2024
- Participated in Code Pie 2.0 |** Oct-2022
- Participated at the CVM University Hackathon |** Mar-2023
- 1'st rank in Skit Competition at SPOURAL'24,CHARUSAT** Jan-2024
